What is Family Photo Day?

Family Photo Day is a fun, local and artistic alternative to the mall or Wal-Mart for obtaining high quality photographs of yourself, your family, friends, co-workers- anybody. The obvious use of this opportunity is to get pictures of the kids for grandma but why not be creative? Musicians- bring your instrument and get your headshots done for a fraction of the cost. Produce the basis of a fun Christmas card for your small business. Have fun with the possibilities.

And Speed Portraits?

In order to be able to offer this service at the price below I have introduced the idea of 'Speed Portraits'. If it works for Speed Dating why not for Speed Portraits? A maximum of eight minutes in front of the camera. That's what you get! Then we check the images on the laptop, you choose which one you like (or that you hate them all!) and away you go!

What if I hate them all?

Then walk away owing nothing. It's always free to sit for the shoot.

So when does it happen?

Family Photo Day happens on the first & third Monday of every month. It runs from four till seven in the evening at the Public Market which is located at 1530 Cornwall Avenue). That's the Public Market, not the Farmers' Market.

Should I book?

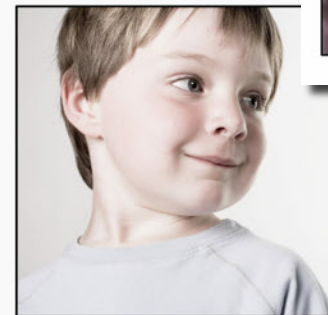

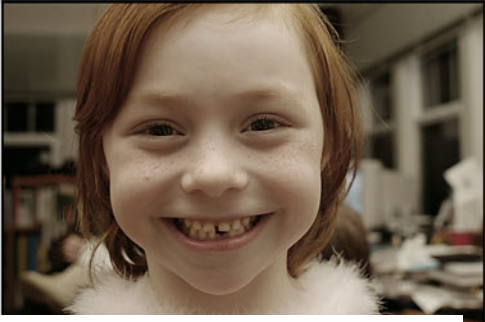

You can if you're on a tight schedule (give me a call if you want to do so) but there's probably no need. Have a gelato or enjoy one of the other fine eateries or even pick up some groceries while you wait. Still want to book? 360-739-9067 is the number.

I need more information!

Please feel free to drop me a line or give me a call. My information is overleaf.

5 Tips for Speed Photo Sitting

1. Wear bold and bright clothes.
2. Avoid busy stripes and patterns.
3. Bring a variety of outfits and props with you for individual and couples shots.
4. Best to dress everyone in the same style or mood for family and group shots.
5. Bring an open mind...a crying baby, a wrinkled brow, or a funny face can make for a memorable portrait!
